“Things went FANTASTIC at EP17 event – we had a 200%+ increase in attendees, 87% of whom had never attended before. Roughly 25% of attendees selected “Kendall T Station advertisement” when listing how they heard about Draper/EP17, which is great. It was an incredibly successful event and I couldn’t be happier. I want to thank you and your team for all you’ve done to help, working with OUTFRONT has always been a pleasure!” - Pilar Delgado, Stategic Communication, *Draper*
